Register to attend the Our Future Family Focus Group

The **Our Future** project is working with over 30 primary schools and 15 multi-academy trusts in Derby, Derbyshire, Nottingham and Nottinghamshire. On **Wednesday 8 December** the project is holding the first of three **virtual Family Focus Groups** and are inviting **parents and carers** to learn more about the changing world of work and its relevance to schooling. This is also an opportunity to share your thoughts on how careers are taught in school and how schools can best engage with you on this topic. Our Future are keen for parents and carers to understand the work the project is doing and get a variety of parent voices.

Our Future delivers a range of career-related learning activities to inspire children and help them link the learning they do at school to future jobs and careers.

All parents of primary age children are invited, the session is free to attend and it will be held on Wednesday 8 December, 4:30pm-5:30pm.

Please [REGISTER HERE](#) and you will receive a zoom link to join on the 8th.

If you are unable to attend but would still love to share your thoughts, you can do this by participating in the survey below. If you would like to be entered into our **prize draw to win a £50 Amazon voucher** please enter your e-mail address at the end of the survey.
