119

My child has tested negative for COVID….

➢ **Your child can return - provided they do not have a high temperature and nobody at home is displaying symptoms**

My child has tested positive for COVID….

- ➢ **Your child must not attend school – contact school**
- ➢ **Your child must isolate for 10 days from first day of symptom(s) or from day of test if no symptoms**
- ➢ **Whole household must isolate for 10 days from first day of symptoms or from day of test if no symptoms**
- ➢ **Your child can return after 10 days of isolation – provided they do not have a temperature and nobody at home is displaying symptoms**

Someone in my household is showing symptoms of COVID….

- ➢ **Your child must not attend school – contact school**
- ➢ **Household member with symptoms must get a test**
- ➢ **Whole household isolates whilst waiting for the test result**
- ➢ **If the test result is negative and nobody else has symptoms, your child can come back to school**

Absence due to COVID....

- ➢ **Regular school attendance is vital. It is so important that children are attending school as much as possible after a very disruptive year.**
- ➢ **If your child is not in school, they are missing valuable learning.**
- ➢ **If your child cannot attend school due to COVID, he/she will be supported with remote learning.**

Our priority is to ensure that every child achieves their very best....

➢ **Having a test is not nice but it is important**

➢ **After a very disruptive year, our priority is to ensure that our children are now in school as regularly as possible**

➢ **Please support us by following current government guidance**

Some myth busters….

- We are not and cannot test children in school – this is for secondary schools only
- Only staff are being tested (twice weekly at home)
- After 10 days from testing positive for Covid, a cough and loss of taste/smell may continue. Your child can return to school as long as they have been fever-free for 48 hours
- If you hear about something and are not sure, talk to us
- If you have any worries/fears, talk to us
