

Home Learning

Please choose and complete one activity each week. You can complete the activities in any order.

Remember to record your work in your Home Learning book and hand into your teacher **every Wednesday**. If possible, ask somebody to take a photograph of you doing some of your Home Learning activities.

Go on a shape hunt round your house. How many different shapes can you find? Write a list in your homework book.

Research Earthworms.
Write down 3 interesting facts you find out. Can you find any worms in your garden?

Draw a picture of your favourite minibeast. Colour, collage or paint your minibeast ☺

Draw and write about something that you are looking forward to this year.

Borrow a book from the library. Snuggle up in bed or on the sofa and enjoy reading it to an adult.

Make a healthy sandwich that really nourishes you for the day.

REMEMBER: read your school book 3 times a week and ask a grown-up to sign your reading record.
