## NEW SCHOOL DINNERS CATERING PROVIDER PARENT CONSULTATION: MEAL OPTIONS

Dear Parent/Carer,

I am writing to inform you that from Monday, 25<sup>th</sup> April, we will be working with a new school dinner catering provider called [Relish](#).

Relish are already working with a number of local schools in Derby and Derbyshire, including several schools within our DDAT school family. Relish are committed to providing quality, fresh ingredients that they cook from scratch to produce their daily menus. Wherever possible, they use seasonal produce, and their daily food offer will allow our children to choose from a wide variety of freshly prepared main meals and desserts.

We are currently in the process of finalising our plans with Relish and would like to gather your views and opinions on our daily menu food options. We will continue to offer two daily options (meat and vegetarian), however, **Relish are able to provide HFA halal meat as our daily meat option**. Further information about HFA halal meat, including frequently asked questions, can be viewed [here](#).

**This means that all children having a school dinner could be offered a daily:**

- **meat option (HFA halal)**
- **vegetarian option**

To offer you as parents the chance to share your views on this, we would like to carry out a two-week parent consultation. You are invited to fill out our online survey. Click [here](#) or use the QR code at the end of this letter:

**Our consultation will close at 9am on Monday, 4<sup>th</sup> April.** We value your thoughts and look forward to hearing your views and opinions. Thank you for your continued support.

Kind regards,

Ms. K Leach      Headteacher
