

## SELF ISOLATING HOME LEARNING

Dear Parent / Carer,

We are sorry to hear that your child is having to self-isolate at home. If your child is well enough to work, we have set some home learning for them to complete to support their learning during this period of absence.

Please find enclosed your child's home learning pack. Your child's class teacher has provided your child with two weeks of work, following our usual home learning format. Your child's home learning pack contains work to support learning in English, maths and theme.

Please can I also remind you to use your Parent Home Learning booklets to support with your child's key skills in phonics, reading and maths. If you cannot locate your booklets, they are available on Class Dojo and our school website: <http://www.stchads.derby.sch.uk/website>

Please try and maintain your child's learning routine as much as possible. **Once home learning is completed, work should be sent to your child's class teacher via Class Dojo**, as with our normal home learning procedures. Reminders on how to send home learning via Class Dojo can be found on our website:

[http://www.stchads.derby.sch.uk/website/class\\_dojos/511012](http://www.stchads.derby.sch.uk/website/class_dojos/511012)

If it is not possible to access your child's Class Dojo account e.g. the account holder is very poorly, please send a photograph of your child's home learning to [admin@stchads.derby.sch.uk](mailto:admin@stchads.derby.sch.uk)

If you do not have access to the Internet, please keep your child's completed work safe at home and send it back to school when he/she returns. It is really important that your child's class teacher reviews your child's home learning so that they can support their next steps in their learning.

You will receive welfare calls from school during your child's absence. During this telephone discussion, we will ask how your child is getting on with his/her home learning and whether additional support is required.

Please ensure that you keep us updated on any changes in the household during the period of isolation. If you are struggling with any aspects of your child's home learning, please contact us via our main school office: 01332 345997.

We look forward to seeing your child back in school soon.

Yours faithfully,

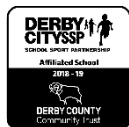

Ms. K Leach  
Headteacher
