

6, 7 and 8.

Can I represent 6, 7 and 8?

Get a basket full of a variety of toys. Ask your child to count out 6 toys.

Put them all back in and continue again, asking them to count out 7 and then 8. If I take one away how many will be left?

Can I talk about time?

Share some photographs of your child as a baby with them. Can they recognise who it is? Can they talk about how they have changed over time?

Can I name the days of the week?

Search on YouTube for 'Days of the Week'. Sing this song together.

Days of the Week Song | The Singing Walrus

The Singing Walrus - English Songs For Kids
Our 'Days of the week song' is an interactive reggae-style tune a fun way.
CC

Can I make pairs?

Create a basket of lots of odd socks.

Can I match the socks?

As your child to find the matching pairs.

How many matching pairs can they make?

Can I describe length and height?

Use the playdough from your craft bag, or make some using the recipe on Class Dojo.

Can you make a long/short snake?

Can you make a thin/thick snake?

Can you make the longest snake possible?

Stories

All of these stories are available when searched on YouTube.

Kipper's Toybox- Mick Inkpen

Simon's Socks- Sue Hendra

Tall- Jez Alborough

Jasper's Beanstalk- Nick Butterworth

Remember to practise all of the key skills in your 'My Maths Booklet' daily and send all work over to your teacher on Class Dojo.
