The LOVE Bears – Adventures at Home

Dear Parent / Carer,

We recognise that it has been a very challenging year for all of us for so many reasons, in particular our very young children. To support our children's emotional health and wellbeing, we have designed a special theme in school around teddy bears.

As shared on Class Dojo, we have had an AMAZING week in school introducing all of our children to this wonderful unit of work. The 'unloved bears' have surprised us all by arriving at school. Apparently, they have heard that St Chad's is full of lots of love and kindness and they have chosen us to love and care for them…. 😊

Our children have already filled their bears with love and we now feel that they are ready to take them home to care for them.

Over the next few days, your child will be coming home with their own 'love bear'.

We kindly ask that you support this important piece of work and model and show lots of love towards your child's bear. The bears were very expensive to purchase and we were able to secure funds through a GoFund Me campaign. We were so grateful for the donations and we want to ensure that the bears do not get lots of damaged.

Please help us to keep the magic of the bears alive by:

- Finding somewhere safe for your child's bear to live
- Engaging in your child's bear home learning and sharing it with your child's class teacher via Class Dojo
- Taking your child's bear out on family adventures – please ensure they do not get lost
- Involving your child's bear in family life – having dinner, watching the TV, helping to brush your child's teeth etc…
- Having lots of fun with your child and their love bear

We are SO excited to watch your child's adventure with their love bear over the coming weeks ahead.

Kind regards,

Ms. K Leach   Headteacher   and the Love Bears xxxx

LOVE God   *LOVE* Neighbour   *LOVE* Self
