'Nurture through Nature' Community Morning.

Elephants: Tuesday, 23rd May (11:00am)

Dear Parent/Carer,

At St Chad's, home and school partnership is incredibly important to us. I have previously shared in our March newsletter that work has started on our 'Nurture through Nature' project. This is an extremely special space, and it has been truly wonderful to see children outside exploring and learning.

To celebrate the end of this half term and develop this space further, we would like to invite you into school to take part in some activities in our new space. This event will be taking place on **Tuesday, 23rd May 2023 at 11:00am for the Extraordinary Elephants.**

I am encouraging all parents to attend please, wherever possible. This will be the perfect time to spend some one to one time with your child. The session will last for approximately half an hour, and take place outside. Please ensure you, and your child, are wearing appropriate footwear.

Can I kindly ask that you return the slip below by Friday, 19th May so we are able to see how many parents will be attending the session.

Thank you, as always, for your support.

Kind regards,

Mrs K Morley
