Congestion or inability to adequately manage children accessing or leaving school building or moving around during class changes	Children, staff, visitors, and the general public becoming infected with COVID-19:	<p>Bubble staff to walk their designated bubble children to and from the playground in a controlled manner after every break time.</p> <p>Bubble staff to accompany children to and from the toilets.</p> <p>Children are given clear instruction regarding maintaining a suitable social distance from each other and staff (our SAFE Promise).</p> <p>Staggered toilet, playtime and lunchtime rota in operation</p> <p>Sufficient staff will be on duty to supervise children at the beginning and end of the day and during class changes and break times/playtimes.</p> <p>Timetables to be planned so as far as possible so that children stay in set classroom/areas of the building and staff move around instead.</p> <p>One-way systems and clear signage to be put in place to reduce the risk of children mixing.</p> <p>Social distancing signage and floor markings displayed, updated.</p> <p>If fire doors are to be kept open, this will only be done when the room is occupied and nominated person will be responsible for closing them when leaving the area. Key doors (NOT FIRE doors) will be held open to avoid handle contamination.</p>	<p>All staff, parents/carers and pupils to be reminded of arrangements on return. Maintain our established 'SAFE Promise' protocol.</p> <p>Maintain 'inside'/'outside' bubble staff allocation (however, both staff members will be now working within their bubble classroom) to support with incidental toilet breaks. Continue with each bubble group having access to a WalkieTalkie.</p> <p>Re-send clear guidance to all staff and parents/carers of children prior to school re-opening and put on school website/Class Dojo (letter; COVID-19 Child Checklist; parent video).</p> <p>Ongoing review meetings with staff: strengthen practice, where needed.</p> <p>Daily checking that signage is still in place.</p> <p>Phonics will take place in bubble classrooms for the majority of children, however, we recognise that some children will need to be put into differentiated ability groups, especially our NtE. Where this is the case, groups will be formed in each phase bubble. Children across phases will not mix with one another.</p> <p>PM intervention groups will be based outside classrooms on an allocated bubble table. Staff members will call children and accompany them to and from the intervention table. Allocated table outside each bubble class in place. Staff member must wear a face covering.</p>	<p>KL monitoring</p> <p>KL - Staff training arranged for 02.09.20 (staff updates to be sent out in advance)</p> <p>KL-meet with RT and middays to discuss lunchtime arrangements (21.07.20). 31.21.21</p> <p>KL,RT-Carry out monitoring to ensure timetable is being followed RT-check signage is intact (ongoing)</p> <p>Teachers to keep re-visiting SAFE Promise (ongoing)</p>	Y

			<p>SLT visiting classrooms will wear a face covering. Observations will not exceed 15 minutes. Where possible/appropriate, they will be conducted by classroom doors.</p> <p>All staff members are to wear a face covering when walking down the corridor, visiting staff toilets or accessing the staffroom. *Following the new and more contagious COVID strain, face coverings are now to be worn at all times by all staff. Staff working in isolation in their own office do not to wear a covering unless in the company of another individual.</p> <p>Maintain arrangements for 'Time Out' procedures, as outlined in the Golden Behaviour policy addendum: Time Out B located on individual bubble tables outside classrooms. Time Out C KL to be contacted via the main school office. Maintain arrangements for Golden Book: no children will be sent to the HT's Golden Book.</p>	<p>Teaching staff – ongoing</p> <p>KL – update staff 30.10.20</p> <p>KL – update staff 02.01.21</p> <p>KL ongoing</p>	
Ineffective personal hygiene measures	Children, staff, visitors, and the general public becoming infected with COVID-19:	<p>Robust handwashing promoted. Staff and children are requested to wash hands prior to leaving home in the morning.</p> <p>All staff and children must wash their hands for a minimum of 20 seconds with liquid soap and warm water on arrival at school or by use of an appropriate hand sanitiser.</p> <p>Following use of toilet facilities hand must be washed for a minimum of 20 seconds with liquid soap and warm water (children must also wash hands prior to using toilets).</p>	<p>All children to be issued with hand sanitiser when walking through the main school gate. All children to wash hands after putting away coats/bags. Hand sanitizer now to be distributed by bubble staff members (to be positioned near the bench area).</p> <p>Maintain school handwashing song and regularly re-visit/reinforce (Twinkl Twinkl) – COVID-19 Pupil Check-list booklet; Class Dojo.</p>	<p>KL-share updated COVID-19 Child Checklist by 21.07.20</p> <p>KL/KG – all communication to be sent to parents/carers by 21.07.20</p>	Y

ching and learning spaces	becoming infected with COVID-19:	<p>Staff to maintain adequate social distancing from other staff, and from children as much as possible.</p> <p>Outdoor learning to be considered and undertaken maintaining social distancing.</p> <p>Timetabling of lessons to be planned to minimise movement of children so far as is reasonably practicable, where possible children will remain in a given classroom(s)/area of school and staff will move between.</p> <p>Children will be provided with their own 'essential' resources (pens/ruler etc)..</p> <p>Use of essential communal equipment will be managed. Children will be required to sanitise hands prior to use, any shared equipment being used will be cleanable and disinfected prior and after use – i.e. iPads/tablets/PC's, curriculum specific equipment</p> <p>Resources available will be limited to what is essential for use of a daily basis and planned in advance.</p> <p>Main classroom computer keyboard/mouse, only to be used by lead teacher/staff member in the classroom, cleaning material must be available for staff to wipe/clean between use.</p> <p>Touch screens/interactive whiteboards can be used by the children: good hand hygiene prior to use and wipe/clean after use.</p> <p>If equipment cannot be sanitised between different group usage it must be set aside and isolated for 72 hours.</p> <p>Weather permitting windows to be opened to provide fresh air to be circulated within classroom and learning areas. School will seek to achieve both ventilation and thermal comfort – by opening windows and doors (where fire regulations permit it), keeping heating on and taking any other steps to ensure the constant flow of fresh air throughout the building.</p>	<p>Tables set out so chn are front facing as much as possible.</p> <p>Carpet time will remain in Bears and Crocs, however, allocated 'spots' will be made available.</p> <p>All staff are to wear a face covering when in their classrooms.</p> <p>Staff must wear a face visor in addition to a face covering when delivering PE and singing. Good social distancing, particularly amongst adults, is imperative during these lessons.</p> <p>Chn will have access to child initiated play, however, this will be timetabled and resources will be limited. Good hand hygiene before, during and after child initiated play.</p> <p>Daily/weekly rota in place e.g. Monday deep clean construction.</p> <p>Staff to consider pairings of children carefully. Risk Assess any child who may benefit from having their own desk. Arrange staff transition meeting to support planning (21.07.20).</p> <p>All children to be provided with their own labelled stationery pack. Consider mini jotter book instead of whiteboards if this is more practicable.</p> <p>Children are not permitted to bring in items from home. If a child is distressed before coming into school, parents can settle at the gate/on the goodbye bench. In extreme separation anxiety,</p>	<p>Update staff – face coverings to be worn at all times 02.12.20</p> <p>Update staff – 02.01.21</p> <p>Class teachers: 21.07.20 KG updated 4.1.21 and shared with team</p> <p>KS1</p>

		<p><i>When the door is answered, staff introduce themselves and are to ask if anybody in the household is unwell or showing signs of COVID. If yes, then staff members must immediately terminate the home visit, return to school and notify a member of the senior leadership team.</i></p> <p><i>Staff ensure that they put on/dispose of PPE, as outlined in the above guidance.</i></p> <p><i>Staff ensure good hand washing hygiene prior to leaving school and upon return, as outlined in the above guidance.</i></p>			
Contracting COVID-19 from inappropriate wearing of a face covering	Children, staff, visitors, and the general public becoming infected with COVID-19:	<p><i>It is vitally important that face coverings are worn correctly to avoid inadvertently increasing the risks of transmission. Children are not permitted to wear a face covering on school premises. A child may wear a face mask to travel to/from school, however, this must be removed by the parent's child prior to them entering the main school gate. Parents are encouraged to bring a carrier bag to safely take home the child's face mask: masks cannot be stored in the child's coat pocket or in their book bag.</i></p> <p><i>Recent government guidance stipulates that the wearing of face coverings in classrooms is not recommended as the protective measures already in place mean the risks are lower and they may inhibit teaching and learning. However, if staff would like to wear a face covering then this option is available. Staff previously considered 'critically vulnerable' are encouraged to wear a face covering, if they wish to. As</i></p>	<p><i>Following the new and more contagious COVID strain, face coverings are now to be worn at all times by all staff. Staff working in isolation in their own office do not to wear a covering unless in the company of another individual.</i></p> <p><i>Share the following guidance with parents and staff:</i></p> <p><i>Safe wearing of face coverings requires cleaning of hands before and after touching – including to remove or put them on – and the safe storage of them in individual, sealable plastic bags between use. Where a face covering becomes damp, it should not be worn and the face covering should be replaced carefully. Further details are available here:</i></p> <p>https://www.gov.uk/government/publications/face-coverings-when-to-wear-one-and-how-to-</p>	<p><i>KL – update staff 02.01.21</i></p> <p><i>KL - Staff training arranged for 02.09.20 (staff updates to be sent out in advance)</i></p> <p><i>SL, AT – ongoing</i></p>	Y
