Osmandos

You have two options for lunch:

1-Your child stays at school and eats a school dinner;

2-Your child stays at school and eats a packed lunch from home.

1

2

We prefer that all of
our children have a
school dinner.

They are free,
nutritious and
delicious.

They also develop
social and
independent skills.

Your child needs to be able to:

- ✓ feed themselves
- ✓ cut their own food by themselves
- ✓ use a knife, fork and spoon by themselves

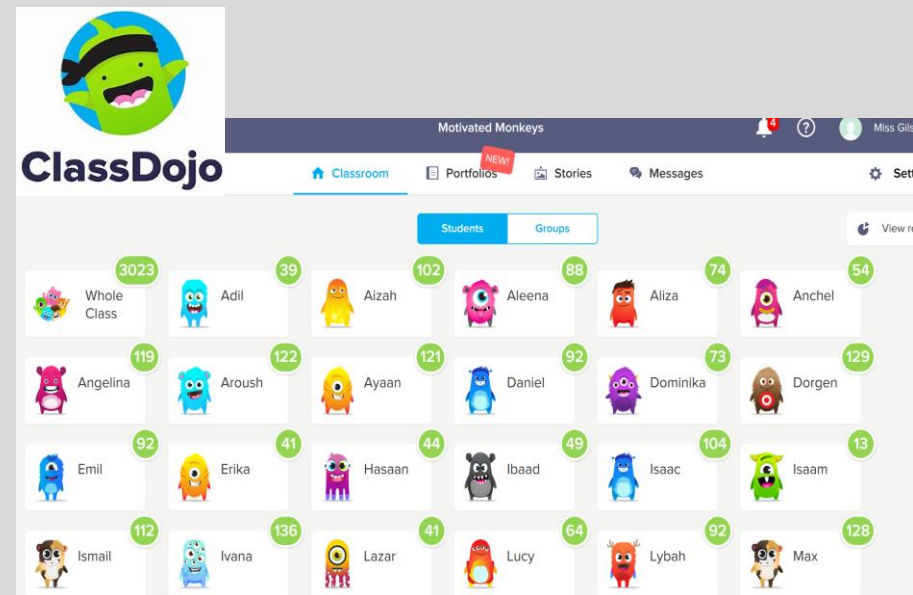

We reward good table manners and children trying new foods.

Behaviour

We encourage our children to show 'Golden Behaviour' and support our 'LOVE Promise'. Children receive Class Dojos for good work and good behaviour.

Behaviour

We strive to create a friendly, peaceful and family atmosphere through our mantra:

calm, still and quiet.

We celebrate good behaviour with 'Golden Book' every Friday. We also have special 'LOVE Awards'.

At the end of every half term, we crown a King and Queen from each class.

The children take part in a special ceremony.

Parents are invited into school to celebrate with their child

Children receive 'yellow or red' cards for poor behaviour.

We use reflection time and children are supported to re-engage with our school's Love Promise

We value strong home-school partnerships. If your child is struggling with any aspect of their behaviour then we will invite you in for a supportive meeting.

Collective Worship

As we are a Church of England School, collective worship is an integral part of our school day where we come together as a school family.

Collective Worship

During collective worship, children learn about different Christian values.

Children experience music, stories, drama, stillness, meditation, singing, prayer and lots more.

Reverend Andy regularly visits school to lead on our Collective Worship. Throughout the year children also have the opportunity to visit St Augustine's Church.

School Prayer

We have our own school prayer to support our LOVE Promise and the Christian values of the school.

We value and support all faiths and religion. Prayer is always invitational and children are reminded every day that their own beliefs are values.

Home-School Partnership

We value strong home-school partnerships. We take advantage of our small workforce: time is spent getting to know families from their very first day in school.

We ask all of our families to read, sign and support our Home-School Agreement.

Parent Workshops

Throughout the year, we run lots of parent workshops and “Stay and Learn” sessions.

We have different classes for parents: ESOL English, art and craft, cooking... The list is endless. 😊

Home-School Communication

Our main method of communication is through **Class Dojo**. Please ensure you download the app on your mobile phone. We post messages daily so regularly 'check-in'.

We run three formal parent's evenings during the year.

We regularly send out letters and half-termly newsletters.

Our school website is updated on a daily basis.

Please tell the office if you have a new mobile number.

Home Learning

We set half-termly home learning for all children via Class Dojo. We expect all children to complete and submit one home learning activity via Class Dojo every week.

Home Learning (Summer Term 2)

Please choose and complete **one activity each week**. You can complete the activities in any order. Please check the activity section on Class Dojo- and, post your completed home learning there!

<p>Kassim and the Dragon Can you retell this warning tale?</p>  <p>Press record- and, retell this story. Remember to use the actions- and, add some scary sound effects to the story!</p>	<p>Amazing Art in the Garden Can I make a sculpture- using, natural materials from my garden or the park?</p> 	<p>Marvellous Mathematics Can I measure- using, my ruler? How tall is your Love Bear?</p> <p>Find five items <i>taller</i> than your Love Bear- and, five items <i>shorter</i> than your Love Bear.</p> <p>You can borrow a ruler from the classroom.</p> 
<p>Joy in Me Please complete Ms Leach's special home learning activities- and, post your work in the activity section on the Class Dojo.</p> 	<p>We Love to Read! Can I read three times each week? <i>Please read three times every week!</i> Ask an adult to sign your reading record every time you read at home.</p> <p>We would love to hear you read a favourite picture book to your Love Bear.</p> <p>Press record- and, enjoy reading aloud with confidence!</p>	<p>Joy This term, the Love Bears have brought much joy to the children- and, we have enjoyed sharing your adventures!</p> <p>What do you enjoy doing with your Love Bear?</p> <p>Send a photograph to show the joy your Love Bear has brought to you and your family.</p> 

We encourage home learning to be captured and submitted via Class Dojo as a video or photograph. Children have regular opportunities to talk about and share their home learning in school.

We monitor Class Dojo weekly for the completion of home learning. If you are struggling with any aspect of your child's home learning then let us know.

Love Bears

When they start at school, every child is given their very own Love Bear to look after and care for.

The Love Bears help our children with their home learning adventures.

Please ensure that your child's Love Bear is well looked after. Include them in your home life as much as possible e.g. eating dinner, reading a story together....

Home Reading

Reading at home is VERY important.

All children will need a St Chad's Book Bag and will be given a school reading book. **Please bring these to school every day.**

Children need to be reading AND having books read to them regularly.

Read in your home language and English, if you can.
Talk about the pictures and have lots of fun!

Your child needs to be reading three times a week at home. Each week we will ask you to share a video of your child's reading at home via Class Dojo.

Please do not just read the book to your child: encourage him/her to read it to you.

We have made lots of resources to help you support your child's reading at home.

Below are some questions that you can ask your child when hearing them read or when reading to them that will help to support and develop their comprehension skills.

Please note that you do not need to ask every question during every reading session.

A 'little and often' approach will help to develop your child's reading.

You might want to:

- Ask some questions before reading.
- Stop and ask some questions during reading.
- Ask some questions at the end of reading.

Home Reading Support The St Chad's 'Super 6'

At St Chad's, reading is a shared priority and responsibility between home and school. Sometimes a child can be an excellent reader but not necessarily understand everything they have read.

To help support and develop our children's reading comprehensions skills, we have developed our own set of 'St Chad's Super 6' characters.

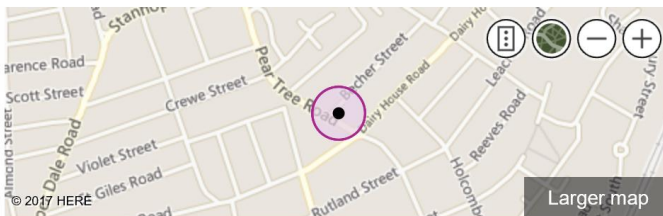

Inside this booklet you will find some 'top tips' on how the Super 6 characters can be used when reading with **and** to your child.

If you need any help with supporting your child's reading at home, please speak with your child's class teacher.

Please let us know if you are struggling to support any aspect of your child's reading.

How often are you reading with your child?

'Off by Heart' Words

To support with their phonics, reading and spelling, we set a weekly word list for children to practise reading and spelling 'off by heart'.

My 'Off by Heart' Words

Dear Parent/Carer

Here are your child's weekly home learning words. Please support your child **in learning to read and spell these words 'off by heart'**. Practising these words throughout the week will really help your child (we advocate a 'little and often' approach). Please encourage your child to use the smiley faces to self-assess their learning and to celebrate their progress.

Talking with your child

We welcome children and families that do not speak English as a first language.

It is very important that your child is secure and confident in their home language.

- ✓ Family
- ✓ Themselves
- ✓ Feelings
- ✓ Animals
- ✓ Shapes
- ✓ Colours....

We want all of our children to be confident and able talkers.

It is important that children have good listening and understanding skills.

Monitor how much time your child spends on tablets.

Talk to us if you are worried about your child's language development.

SPEECH, LANGUAGE and COMMUNICATION DEVELOPMENT from 0 - 5 years

Produced by I CAN, The Children's Communication Charity

6 months	1 year	18 months	2 years	3 years	4 years	5 years
Baby watches parent / carer's face when they talk close up	They are using simple words anytime now	Toddlers now start to join words together, "teddy gone"	Children now understand longer sentences, "Your shoes are upstairs"	Children still find some word sounds difficult i.e. 'r,w,l,y,f,th,s,sh,ch,j'	People who haven't met the child before will be able to understand their words	Children can now easily turn their attention to you, even if they are playing
Baby likes playing with sounds. Noises like "bababa" can be heard	New words that are used will not sound like adult words yet	They can find things that you ask for – pictures in books or toys in the room	Children start to use lots of single words (up to 200), building short, 2 to 4 word sentences	Sentences used get more complicated, eg. "I'm going to Nana's and getting a new toy car"	Children are asking lots of questions, especially "Why?" questions	They will understand longer and more complicated sentences, eg. "Find the orange and black pens"
Baby starts to understand words that are used frequently, eg. "Bye bye" and "milk"	They can do what is asked when very simple sentences are used, "Give it to mummy"	They are developing a larger vocabulary of 50 to 100 words	Children use and understand new words every day	Children may stumble over their words and sentences. This is expected at this age	They can talk about things they have done and will do	Most adult word sounds are now used

Tips for parents and carers: Talk to your child using the language you would naturally use at home and...

Talk to Baby when doing things together - changing nappies, feeding or taking them out.	Help Baby to listen by turning off the TV when you talk and play with them.	When toddlers talk, help them by reflecting back. Them: "Cat." You: "Yes, the cat's sleeping"	Help to develop word sounds by repeating your child's words back. Them: "Dod." You: "Yes, it's a dog"	Give your child plenty of time to speak. Don't draw their attention to any difficulties they seem to have	Comment on what your child is doing rather than asking them lots of questions	Give children plenty of time to communicate with you. Speech and language go on developing all through life.

Writing

Your child needs strong hands!
Have paper, pens and pencils at home for them to play with.

FISTED GRIP
1-2 years old

Children often hold their writing tool like a dagger, scribbling using their whole arm.

OR

DIGITAL PRONATE GRIP
2-3 years old

All fingers are holding the writing tool but the wrist is turned so that the palm is facing down towards the page. Movement now comes mostly from the elbow. Children should start being able to copy a horizontal, vertical and circular line.

4 FINGER GRIP
3-4 years old

4 fingers are held on the writing tool. Movement is mostly from the wrist and the hand and fingers move as one.

STATIC TRIPOD GRIP
4-6 years old

This is a 3 finger grasp, where the thumb, index finger and middle finger work as one unit.

DYNAMIC TRIPOD GRIP
By 6 or 7 years old

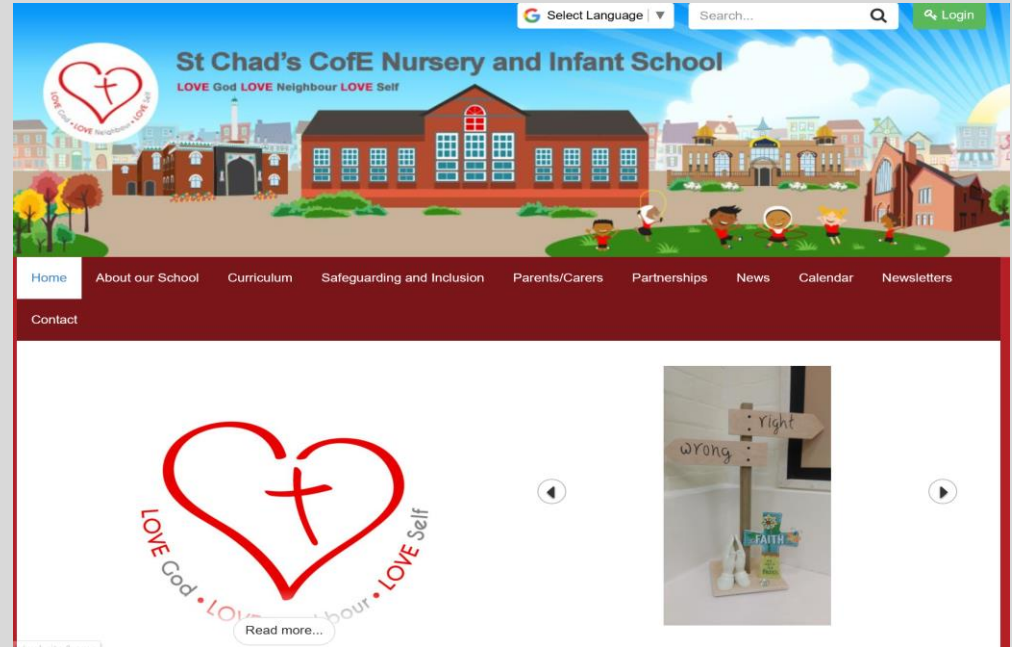

Using only 3 fingers to hold the writing tool. This is the ideal grip to help move the pencil efficiently, accurately.

Staying Up-to-Date
