

## Home Learning

Once you have completed each of these activities, remember to post a photo on the activity section of Class Dojo ☺

### Science

Can I describe the parts of a flowering plant?

Draw a picture of a flowering plant and label the different parts. You can extend your learning by researching why each part is important.

### Art

Can I create my own paper collage, inspired by the work of Henri Matisse?

Look carefully at the art below. Now create your own collage of a flower (rip, tear and glue paper) inspired by this artwork.

The Snail, 1953 by Henri Matisse.

### RE

Can I retell the Easter story?

Draw a text map to help you retell the Easter story. Share a photo of the text map on Class Dojo. If you are feeling confident record yourself retelling the story ☺

REMEMBER: continue reading to your child and listening to them read 3 or more times a week. Practice the 'Off By Heart' words in your 'My Phonics Booklet'.

REMEMBER: if you are now going to be in year 2, to log onto TTRockstars and practise your 2s, 5s and 10s.
